AS A MASSAGE AND BODYWORK	:

_____	:	

This matter was opened to the Board of Massage and Bodywork Therapy ("the Board") upon receipt of the application of Elyse Breit for licensure by endorsement as a massage and bodywork therapist. Upon a review of the application and the criminal history background check, it was ascertained by the Board that although Ms. Breit had indicated on her application that she had

never been charged with or convicted of any crime or offense, in 1978 she had been convicted of disorderly conduct. Ms. Breit claimed that she had no recollection of the incident.

The Board finds that the applicant knew or should have known that by indicating "N" for "no" in response to the questions as to whether she had ever been charged with or convicted of any crime or offense, she was providing inaccurate information, and thus she engaged in misrepresentation on her application in connection with her arrest and conviction history in violation of N.J.S.A. 45:1-21(b).

The Board also finding that granting the applicant's request for licensure is appropriate under the circumstances, as the matter appears an isolated incident distant in time, and for other good cause shown;

IT IS ON THIS 4th DAY OF *December*, 2014

HEREBY ORDERED AND AGREED THAT:

1. A civil penalty in the amount of \$100.00 is hereby imposed for the applicant's violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, made payable to the State of New Jersey, and shall be forwarded simultaneously with this signed Order.
2. The applicant's application for licensure shall be granted upon payment of the above penalty, and upon her demonstration

that she has satisfied other licensure requirements, if she has not already done so.
